RICHMOND, VA.

There is nothing so decorative in its effect as new Wall Paper of a pretty and novel design, or a painted wall, when done in soft tones or rich colorings. The dainty effects I am showing in Wall Hangings, Relief Decorations and Tinted Designs will certainly please the most particular one.

I have the largest and best equipped House Painting establishment in the South, using nothing but pure lead, oils and colors, and employing only the best workmen.

## BUILDING NOTES IN AND OUT OF TOWN

A Garage and a Theatre to Be Erected on Beautiful Broad Street.

## HOME BUILDING ON INCREASE

Forty-Thousand-Dollar Hospital in Sight—No Cessation of the Boom.

Real estate agents and money lenders, who make a business of putting out loans for building purposes, report business exceedingly active and more than the usual number of home-builders in search of money with which to add to their own savings with a view of building homes for themselves. One agent said yesterday: "I am sure that more money has been loaned to home-builders this week than any one week this year." This means that the building boom, which has been on in Richmond and the suburbs for something more than a year, is to continue.

**Mammoth Garage.**  
The busy builders, however, are not confining their efforts to homes. A contract was closed yesterday for the immediate erection of a mammoth garage that is to be erected at once on West Broad Street, just opposite the baseball park. This building, which is to cost somewhere in the neighborhood of \$7,000, is to go up at once on a large lot owned by Mr. C. A. Brown, of the shoe firm of Taylor & Brown. The lot is 34 feet front on Broad, by 120 deep, and the building is to cover every foot of the ground, giving a floor space of 10,080 square feet. It is to be of brick, with a slag roof, and was designed by Mr. W. Lee Carneal, architect.

The building is being erected by Mr. Brown for the Gordon Motor Company, Incorporated. When the building is completed, about the first of September, the company will open a first-class garage and engage in the automobile business, which will be conducted in all of its branches, except that they will carry no cars for hire. They will store or "stable" machines for owners, and they will engage extensively in the sale of automobiles, making a specialty of gasoline cars that vary in price from \$1,000 to \$6,000. The officers of the company are John G. Hayes, president; W. F. Gordon, vice-president; E. D. Hotchkiss, Jr., secretary and treasurer. A general manager is yet to be elected. The company will be sales agents generally for gasoline cars.

**Permanent Moving Pictures.**  
Mr. M. L. Hoffelmer has obtained a permit to build and will soon let the contract for a \$15,000 building, to go up on Broad street next to the Bluff Theatre. It is understood that this will be used as a permanent moving picture theatre.

Dr. George Ben Johnston is asking for bids for a \$40,000 brick structure, to be erected on Sixth Street, between Franklin and Main, which, when completed will be another big Richmond hospital of modern equipment.

Mr. M. L. Hoffelmer has received plans for and will soon let to contract a brick building on Monument Avenue, near the Boulevard. This residence is to cost about \$10,000.

**Suburban Activity.**  
Building operations are still active in the suburbs. Mr. E. J. Detrick, who last week bought a beautiful lot in Ginter Park, will begin at once the

erection thereon of a handsome twelve-room house, with all modern improvements, which will be for sale. This is something of a new departure in Ginter Park, being the first time a contractor has ventured to build a home there for sale. A ready sale of the same and no doubt there will be one—will lead to the erection of other homes by Mr. Detrick and perhaps other contractors. The residence of Mr. Oscar Cranz in the park is well under way, and when completed will be one among the handsomest in Ginter Park.

**Crop Prospects Good.**  
[Special to The Times-Dispatch.]  
HENDERSON, N. C., July 18.—Not since 1886 has the crop prospect been brighter in this section than at the present time. The farmers are preparing to cure tobacco, which is reported good. In a short time wagon loads of the weed will be sold and farmers will wear smiling faces.
